Office use:

Filed in the office of the Erie County Board of Elections March 6 2023.

Received by Danall Lutter
Election Clerk

1. The first step in the process of
the development of a new product
is the identification of a need.
This is done by the marketing department
through a process of market research.
The next step is the development of a
concept for the product, which is then
tested in the market.

2. The second step in the process of
the development of a new product
is the development of a concept for the
product. This is done by the marketing
department through a process of market
research. The next step is the testing of
the concept in the market.
